

Advanced Solutions

a DXC Technology Company

Senior UI/UX Designer
IS27

Why Choose Us?

Where will a career with Advanced Solutions take you? To the leading edge of information technology, working with industry partners from around the world. At Advanced Solutions you will work with outstanding people in a challenging and dynamic environment. We strive to provide you with the tools, the training, and the opportunity to take charge of your future and take advantage of change to maximize client service and work within a centre of excellence.

The Opportunity:

Advanced Solutions is looking for community-minded, energetic, progressive individual to join its Application Services department. Advanced Solutions' Application Services department is responsible for planning, developing, and maintaining the business systems for our various BC public sector clients. Many systems are considered mission critical government applications; used by over 1M users in multiple locations around the province and the general public accessing government information.

Who you are:

- Display a high level of effort, commitment, and mature judgment
- Maintain a professional and confidential manner at all times
- Trustworthy and responsible behavior
- Eagerness to learn and a willingness to accept feedback and direction
- Customer Focus
- Adhere to Advanced Solutions Core Values
 - Exemplify Professionalism: We uphold a respectful and respected workforce.
 - Embrace and Champion Change: We enthusiastically participate, collaborate, innovate, and welcome change.
 - Encourage and Take Initiative: We are an engaged and progressive workforce promoting personal and professional growth
 - Personify Integrity: We are reputable and productive which builds the foundation of our success

Application Requirements

Must Have

- Bachelor's or Master's degree, preferably in Business, Design, Human Factors Engineering, Social Sciences, Communications, or equivalent combination of education and experience.;
- Demonstrable knowledge, experience in and passion for user-centered design practices gained working in a user experience design capacity for over 5 years.
- Solid understanding of design principles and best practices in UI/UX; and
- Proven experience of working in an agile, digital product- focused development environment with User Experience teams, designers, and developers to iteratively create and improve digital products and services.
- Experience mentoring and supporting less experienced UX practitioners.

Diversity, Inclusion & Workplace Information

We promote a diverse, equitable work environment and welcome employment applications from individuals of all backgrounds. Our employees enjoy competitive and comprehensive extended and group benefits and participate in a very progressive defined benefit plan through the BC Public Service Pension Plan.

We care about our people and are leaning into a workplace culture that supports a healthy work-life balance. Advanced Solutions is proud to be pivoting to become a remote and/or hybrid workplace. Employee's will have the option to work from anywhere within Canada, or from our Vancouver Island Technology Park Office in beautiful Victoria, BC, or a combination that suits their needs. To learn more about the Victoria Office, please visit the [VITP Information Site](#).

How to Apply:

Positions are open to all applicants eligible to work in Canada. Please ensure your application clearly identifies how you meet each of the stated qualifications, with particular emphasis on the education, training, and experience requirements. This information will be utilized in screening your application and determining whether you will be considered for the next stage of the recruitment process.

In your application/cover letter please indicate how you heard about ESIT Advanced Solutions (i.e., name of job boards, career fairs, word of mouth). Qualified candidates are invited to forward their cover letter and resume, noting the position title and where they saw the position advertised, to Competition@dxcas.com.

This competition will remain open until filled.

An eligibility list may be created. Lesser qualified applicants may be under-implemented or appointed at a lower level.
